

## **REMARKS/ARGUMENTS**

### **Restriction Requirement**

The Examiner has alleged that claims 1, 2, 4, 5, 24 to 26, 46 and 47 are directed to a first invention, claims 11 to 13, 49 and 51 are directed to a second invention and claims 15, 16, 18, 19, 27, 50 and 52 are directed to a third invention.

The Examiner has not indicated to which group claim 20 is a part thereof. As claim 20 was amended to be dependent upon claim 1 in the preliminary amendment filed on September 15, 2006, Applicant submits that claim 20 should be included with Group I

Applicant hereby elects for further prosecution the claims identified by the Examiner as Group I, on page 2, section 1 of the Office Action, specifically claims 1, 2, 4, 5, 20, 24 to 26, 46 and 47.

Claims are being added to the application that were cancelled at National Phase Entry that are dependent upon claims in Group I. New claim 53 corresponds to original PCT application claim 3. New claims 54 to 58 correspond to original PCT application claim 6 to 10. New claims 59 to 61 correspond to original PCT application claim 21 to 23. New claims 62 to 64 correspond to original PCT application claim 27, when dependent upon claim 1, to 29. New claims 65 to 61 correspond to original PCT application claim 36 to 43. New claim 73 corresponds to original PCT application claim 48.

In view of the foregoing, early favourable consideration of this application is earnestly solicited.

Respectfully submitted,

JIANGLEI MA, ET AL.
